

Apps/Software to Monitor for Technology Implementation

2020-2021 School Year	
Grades 3-4	Google Classroom Reflex Math (grade 3) HMH Into Math Software
Grades 5-8	Schoology IXL HMH Into Math / Go Math Software
Grades 9-12	Google Classroom Khan Academy HMH Go Math Software

Possible Metrics:

Monitor number of assignments posted in LMS
Develop usage expectations for software; monitor usage to correlate to test scores
Correlate Winter & Spring MAP scores to software usage (grades 2-8)
Consider taking PSAT fall and spring to use for a growth metric for HS
