Facilities Planning 2019

6. MES

Number one concerns:

- a. New toilets on main level restrooms and nurses office
- b. Main level bathrooms - resurface terrazzo floor

Everything Else:

- c. Asbestos tile floor chipping.
- d. Main entrance wood around windows and doors is rotting
- e. Downstairs freezer often stops working.
- f. Need some updates on our heating system - some radiator issues, thermostats in rooms are either have the heat fully on or fully off, there is no control.
- g. Outside railing by the boiler room stairs is rusting
- h. Walls in the gym have cracks which light can shine through. (Better after painting, but not fixed.)
- i. Upstairs carpet is fraying on the seams.
- j. Downstairs carpet is over 15 years old. It is stained but not ragged.
- k. Replace ceiling tiles in upstairs - dirty/old
- l. Addition or trailer for additional learning spaces and a sensory gym for students with sensory concerns

7. District Office

- a. Paving and fencing around Bus lot
- b. Debris pile removed
- c. Dehumidifier
- d. Air circulation balanced

*****Landscaping across the entire district**
