

North Boone Transportation Update
April 2019

The district allows for parents to pay for transportation if they do not qualify for transportation offered by the district.

As of February the district collected \$12,193 in paid transportation for the 2018-2019 school year. In 2017-2018 the district collected \$19,312.

The following are the number of paid riders:

PG-21

Capron-9

Preschool-17

Moving forward due to bus driver shortage the follow priority will take place when creating routes:

1. Students eligible for transportation
2. Preschool students
3. Outsourced students
4. Paid student riders
