

SY19 Curriculum Development Plan North Boone CUSD 200

Mathematics

- Complete Unpacking Priority Standards: HS-Geometry, Algebra 1; MS-Grades 7 & 6; ES-all grades
- Determine and monitor pacing guides to use with new series at MS and HS
- Begin development of Curriculum Guides (unit and lesson design) using Chalk: HS and MS
- Complete new series/edition adoption/purchase process for K-5
- Continue systematic process for selection, and adoption of a new textbook series for grades K-5: pilot *enVision 2.0* (10/15-11/20); decision making and cost determination (*Dec-Jan*); recommendation to BOE (*Feb*)

Science

- Continue science curriculum work by completing elementary, middle, and high school curriculum guides for units by grade level/course utilizing NGSS standards and board adopted materials.
- Undertake process of designing common assessments.

ELA

- Form District K-5 Curriculum Committee that will meet quarterly to review standards, determine priority standards, and unpack the priority standards
