

North Boone CUSD 200  
In-Person Plan  
2020-2021

*Updates*

## Plan Creation

- Sept. 8th: District Office Admin Team met
- Sept. 10th: Plan was shared with Principals
- Sept. 11th-18th:
  - Small group meetings with principals at the DO
  - Principals met with staff members in their buildings
  - Plan shared with nurses
- Sept. 16th: Labor management meeting
- Sept. 18th: Plan uploaded to Board Packet for Sept. 22nd meeting with changes and updates based on feedback

# Nursing Protocols

- Student and staff screening
- Visitors screening
- Symptomatic students, faculty, or support staff at school
- Symptomatic students, faculty, or support staff at home
- Positive COVID-19 test results reported to North Boone staff
- Procedures for students, faculty, and support staff who test positive
- Students, faculty, and support staff who are close contacts to a confirmed case
- Contact tracing and quarantining persons exposed to a confirmed case
- Temporary closure and environmental cleaning and disinfection when a confirmed or possible case is identified in a school
- Outbreak response and consideration for closure

# Cleaning Protocols

- Cleaning and disinfecting of NBCUSD will be performed to CDC guidelines.
- Our custodians will disinfect mist spray either am/pm daily.
- Hand Sanitizer and Sanitizing stations will be available throughout the schools.
- Custodians and Staff will be disinfecting highly touched areas such as doorknobs, light switches, sinks, etc. all throughout the day.
- Washrooms will be cleaned and disinfected multiple times during the day.
- Community areas and surfaces will be disinfected regularly.

Note: All cleaning and disinfecting are subject to change due to COVID-19

| Hand sanitizer       | 54 8 oz bottles<br>16 16 oz bottles<br>30 gallons (gel)<br>30 gallons (foam) |

## Boone County Health Department Metrics

### BCHD Path to In-Person Learning:

- Boone County Positivity Rate
- Diagnostic Testing Turn-Around Time
- Incidence Rate - Community Transmission
- Youth Incidence Rate - Community Youth Transmission
- Health Metrics Hold Steady for 10 Days

## Path to In-Person Learning

Virtual: All learning is remote for all learners.

Hybrid: Some learning can occur in-person based on prioritized risk.

In-Person: All learning can occur in-person.

## Diagnostic Testing Turn-Around Time

> 10 days

3-10 days

< 3 days

## Incidence Rate (Community Transmission)

> 14 per 100,000

7-14 per 100,000

< 7 per 100,000

## Youth Incidence Rate

> 14 per 100,000

7-14 per 100,000

< 7 per 100,000

# Alternative Tentative Timeline

|                          |                        |                        |                         |                        |
|--------------------------|------------------------|------------------------|-------------------------|------------------------|
| Life Skills: October 5th |                        |                        |                         |                        |
|                          | Phase 1: ~October 19th |                        |                         |                        |
|                          |                        | Phase 2: ~November 2nd |                         |                        |
|                          |                        |                        | Phase 3: ~November 16th |                        |
|                          |                        |                        |                         | Phase 4: ~January 19th |

\*All start dates are tentative and are dependant on IDPH health metrics. These are the earliest dates we would return in each phase. If a phase is pushed back, later phases will also be pushed back. We will have a minimum of 2 weeks between each phase.
