

CES School E-Learning Plan Template: Instructional Delivery

Elementary E-Learning Plan Document

K-4

- Teachers and students will follow the Grade Level weekly schedules for E-Learning listed below.
- Teachers will record Google Meets/Lessons and post to their Google Classrooms.
- Special Education will join grade level meetings/ set up individual meeting times.
- TA's will assist with Google Meets and Flex Work Time.
- Reading/EL teachers will meet with classroom teachers and google meets to support students, as well as utilize Flex Work Time to support students.
- Flex Work Time is defined as additional time through the learning day for teachers/TA's and students to meet in individually or in small groups for instruction, intervention, and independent student work/practice.
