4. Pilot Cost
  - a. Because K-4 literacy has so many materials, vendors are requiring payment for pilot materials.
  - b. Tentative Costs (for 10 classrooms and specialists)
    - i. Savvas MyView:
      1. \$15.97 per student
      2. Estimated Total: \$3,600.00
    - ii. Collaborative Literacy
      1. Still waiting on information from the vendor.
      2. They are a smaller company, so I anticipate that the cost would be more than Savvas.
