

## Running Start Program Agreement

Congratulations! You have been selected to participate in the Running program for the 2017-2018 school year.

Our School District, NBCUSD #200, pays approximately \$5,500 for your student to participate in this program. It should be understood that once your student is accepted – he/she must pass all required courses during their time in the program. If your student drops out of a class after it starts or should they fail a course, a pro-rated fee will be added to the student's school account. However, if a student later retakes the same class and pays for it on their own, the fee will be removed from the student's account. Any fees added to the student's account are the obligation of the family to pay prior to graduation. North Boone requires students to have a 95% attendance rate the year prior to being accepted to Running Start and a GPA of 3.5 or above.
