

North Boone School District Proposals

2020-2021

A dark blue diagonal graphic that starts from the bottom left corner and extends towards the top right corner, covering the lower half of the page.

Curriculum Planning

- Adopt ELA series for grades 5-8
- Review and pilot materials for Social Studies, grades 5-8
- Start ELA team for K-4

Pre-Kindergarten through Fourth Grade

- Proposal to begin developing a Bilingual Classroom
- Hosted at Capron
- Available to any student in early grades
- Multi - age classroom

Graded centers and adding staff were discussed as options. The administration felt our community values their home schools. Also our class sizes are small and FTE's could be used where other staff members could be added for district needs.

Fifth through Eighth Grades

- Proposing to add one PE teacher at the MS
- SPED students can easily be scheduled into regular ed classes.
- Add a social worker at the 5-8th grades
- Students with emotional and behavioral issues could use more support which in turn will mean more time spent in class learning
- Begin career pathways at 5-8 that feed into the career electives at high school

High School Planning

Begin to develop and expand career pathways in:

- Business (Informational Technology)
- Health Sciences (EMT, Nursing)
- Industrial Technology (Ag, Engineering, Automotive, Manufacturing)
- Human Services (Family and Consumer Sciences)
- Education

High School Planning (Continued)

- Grow Chromebooks
- Continued focus on AP Class success
- Continued focus on SAT improvement
- Stimulus Money can be used towards device purchases (\$190,000)

Social Emotional Learning

- Administration and Staff will implement strategies to build strong learning and working cultures.
- A social and emotional curriculum will be developed for implementation in the 2021-22 school year.

Administrative Goals

- Academic Goals: Identified through the SIP Plan that is currently being established.
- Performance Goals: SEL implementation, personal goal based on building leadership needs.

Food Service

- Re-open the Upper Elementary Cafeteria
- Shuffle current staff and add a Head Cook
- Add an Assistant Cook at the UE

District Facilities Staffing

- Add a District Repair Person
- Maintenance Grant to complete the projects at the UE
- April Meeting Approvals: UE Cafeteria Storefront, UE Carpeting, Capron Sewer
- Other Projects: Capron Smoke Doors; UE Custodial Doors; UE bleachers

Five Year Facility Plan

- 2020-21 - Capron Parking Lot
- 2021-22 - New Bleachers at the football field
- 2022-23 - New lighting at the football field
- 2023-24 - Competition Track added
- 2024-25 - MS parking lot and Bus Barn Lot

Discussion and Questions
