

# NBCUSD 200 Return to School Survey - July 2020

Dear Parents and Guardians,

Please take a few minutes to fill out this brief survey regarding the return to school. This is a unique year, and your feedback is valuable and will help us with our planning and preparations for the fall. We ask that you complete this survey for each child in your home.

During Phase 4, IDPH guidelines for Illinois schools will:

- Require use of appropriate personal protective equipment (PPE), including face coverings;
- Prohibit more than 50 individuals from gathering in one space;
- Require social distancing be observed, as much as possible;
- Require that schools conduct symptom screenings and temperature checks or require that individuals self-certify that they are free of symptoms before entering school buildings; and
- Require an increase in schoolwide cleaning and disinfection.

North Boone School District is taking all necessary safety measures to keep all of our students healthy and safe.

Sincerely,

Dr. Michael J. Greenlee
