FINANCIALS

An updated financial report was handed out. This year to date, just over \$11,000 has been raised from fundraising and cost savings efforts. An update will be made again after completion of the spring sports season.

GOLF OUTING

Annual Golf Play Day – Dale Purvis will be following up with this event. He will check for potential dates at Timber Pointe Golf and try to get more sport teams involved in order to strengthen the event. CIC is still interested in helping with the dinner/silent auction portion as necessary. Kris Zwart has begun to put together some silent auction items.

OTHER ITEMS FOR DISCUSSION

Jimmy John's Fundraising Opportunity -- Allan Johnson mentioned that Jimmy John's has helped in game-time fundraising with other schools. Further review will be done with this for different opportunities. This is similar to a "closest to the target" wins. Some have used Frisbees, etc. with Jimmy John's products as prizes.

Long-Range Plans – Allan Johnson would like to see a long-range plan for facilities and goals as a means by which to direct fundraising. "Where do we want to be in five/ten years?" Dr. Baule will contact the district architects, Cashman Stahler, to inquiry as to the cost of a plan.
