

Group VIII Program Request

Teacher Name: Lloyd Roberts Date: 10/24/22

School/Project Location: NBMS

Project Name: D & D Club

1. Briefly describe how students will benefit from this program:

Playing D&D Improves thoughtfulness, teamwork, planning, problem solving, character understanding and creativity. Academically it improves reading, comprehension, math skills (number comparison, percentages, and other basic skills) and the scientific process (theory, predict, gather, analyze draw conclusion etc)

2. Describe the activities of this program:

Student Run: Dungeon master (1 student) will create a world with puzzles and challenges that others (players) will use characters they create using dice rolls and skill choices to meet those challenges and solve the puzzles.
Teacher Supervision: Teacher will counsel students on choices and skill sets puzzles to plan for the quests - club guidance and behavioral control.

3. Give a schedule of tentative dates and times for each activity.

1 Day per week every week - tentatively every Tuesday we have school from 3:00 to 4:00 pm. - Day of the week may change if member needs don't align. Rest of year

4. Total hours of project for teacher: 20

Total cost of project: 20 x 25 = 500 TP + 165 material = \$665
