X. New Business C-Resolution Authorizing Notice of Dismissal of Non-Tenured Teachers
Other than Final-Year Probationary Teachers

The motion was carried by unanimous roll call.

AUDIENCE TO VISITORS

(None)

TREASURER'S REPORT

Ms. Geyman stated the Treasurer's report was as presented.

SUPERINTENDENT'S REPORT

Dr. Greenlee thanked Becky Giesecke for her role in bringing the One School, One Book program to PGE for the eighth year. The Board was provided with a copy of the book they will be reading this year and a handout on the history of the program.

Dr. Greenlee shared we had received the \$50,000 maintenance grant.

He noted the COVID-19 situation had picked up momentum last week, and as of Friday, the Governor sent an executive order to be closed from Tuesday, March 17 – Monday, March 30, and the days were Act of God days, not to be made up. Because we cancelled March 16, we may have to use an emergency day, but since this is a fluid situation, this may be considered like the other days. Dr. Greenlee stated the Principals will be in their buildings from 8:00 a.m. – 4:00 p.m. and the custodial

staff will be deep cleaning their buildings. He also said we will be providing grab and go meals at CES and PGE through spring break. He stated District 100 will be offering meals in Candlewick. The District surveyed the families, and 85% felt they would be able to cover their own meals. Mr. Mulholland inquired about delivering meals. Dr. Greenlee said he would speak to Ms. Geyman about that possibility. Mr. Mulholland also asked about the Board’s role, when the Board gets to decide on what is best for our District and also wondered if we were only going to listen to local government or if we would be working with the federal government. Dr. Greenlee said he was attempting to watch timeliness, basing decisions on facts, state and health department directives and the Governor’s executive order. He also is working with the ROE on interpretations and gathering information from IASA. Mr. Rudy felt Dr. Greenlee was trying to keep everyone abreast of the situation, and felt the federal government was giving recommendations and the state government providing the timelines. Mrs. Maxey felt other districts were also following the state recommendations.

COMMITTEE REPORTS
