RE: 2016 ELL Jump Start Summer Program

At this time, I would like to request that the North Boone School District provide an ELL Jump Start Summer Program for approximately forty (40) students entering grades 1st through 5th who qualify for ELL services based on the ACCESS test given this spring. The purpose of the program would be to provide a jump start for ELL students in English Language Arts in preparation for the upcoming school year.

There will be two options for students to attend the Jump Start Program: a morning session at Capron Elementary from 8:00 – 11:00 am; or an afternoon session at Poplar Grove Elementary from 12:00 – 3:00 pm. The program will be staffed by a certified ELL or Bilingual teacher with support from one Bilingual teacher assistant. There will be instruction Monday through Thursday for three (3) weeks resulting in twelve (12) days of instruction and all together thirty-six (36) hours of instruction.

Funding for the Jump Start Program will come from the current ELL-TBE/TPI and Title III Grant provided by ISBE as well as the upcoming fiscal year's Grant. There is current language within the 2015-2016 fiscal year Grant that allocates funding for a Summer School Program. Approximately \$600 will be used from the current Grant for supplies including workbooks for each student. Approximately \$3,600 will be used for salaries, which will be funded by the 2016-2017 fiscal year Grant.

No transportation will be provided. This will be a free program for all students who qualify.

Your consideration is greatly appreciated. Please do not hesitate to contact me to clarify any questions.

Thank you,

Allison Louis
