ATTACHMENT VIII-C:	October 2016 Bills – Addendum
Suggested Motion:	Move to Approve the October 2016 Bills – Addendum
Recommended Action:	Approve as presented.

The A/P check addendum cycle did not complete in time for approval at October’s Board meeting.

Mrs. Saunders contacted the auditor and was advised to send the checks out (in order to get our vendors paid in a timely manner) and to put this batch of checks on the November consent agenda.
