HS ENGLISH RESOURCE RENEWAL

Mrs. Neri stated the cost for the HS English resource renewal materials from Savvas would be \$41,915.00 for six more years. The price represents 135 licenses each for grades 9 and 10, and 145 licenses for grade 11. She noted there has been positive feedback on this resource. The Committee was in favor of the renewal.

PAPER UPDATE

Mrs. Neri provided data from October to current on the usage of this program. There were 139 tutoring sessions and 307 essay reviews. Reading comprehension and basic algebra were the most requested topics. Most usage was by grades 9 and 10 and usage was at its peak in February. Mrs. Hutchinson felt student feedback would be beneficial. The Committee felt a fall student survey prior to the renewal date would be best. Mrs. Louis inquired when it might be considered for the Middle School. Mrs. Neri felt that was a good next step.

SEL COMMITTEE UPDATE

Mr. Peterson and Mrs. Doetch met with the SEL team last week. They had four vendors present, and have narrowed it down to Ripple Effects and Satchel Pulse. May 31st will be the next meeting with the two final vendors. The SEL team submitted a survey after the presentations. Remarks from the Committee members included that they love something proactive instead of reactive, and they were impressed by the process. The Committee members were happy with the process and supportive of the program.
