Re: IASB Policy Reference Education Subscription Service *Renewal*

Dear **PRESS** Subscriber:

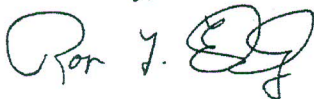

Thank you for your calendar year 2015 subscription to the Policy Reference Education Subscription Service. As you know, **PRESS** offers timely information as well as sample policies and procedures to help keep your district up-to-date.

Renewing your **PRESS** subscription for 2016 ensures that you'll continue to receive these excellent resources:

- **Electronic access 24/7 to the entire Policy Reference Manual as well as the latest PRESS issue.** You can download PRESS Update Memos, sample policies, and administrative procedures.
- **Explanations and references to important legislation, agency rules, court decisions, and binding opinions from the Ill. Public Access Counselor.** Information on legal compliance is available on every piece of **PRESS** material. Also, if you have questions, you can phone or email one of the IASB attorneys or policy consultants.
- **Indexes to the IASB Policy Reference Manual by subject and laws.** **PRESS** Online has a search feature.
- **Policy services supporting IASB's governance philosophy.** The IASB's governance philosophy focuses board attention on developing and monitoring district ends, rather than on day-to-day operations. **PRESS**, consistent with this philosophy, helps boards toward this level of leadership. It allows your school board to focus on important governance issues while remaining in compliance with legal mandates. We place administrative detail in procedures so that board energy may be devoted to leadership.

Thank you for your continued support of this service. If you have any questions or comments, please contact Melinda Selbee, IASB General Counsel and **PRESS** editor, at ext. 1231.

Sincerely,

Roger L. Eddy
Executive Director
