Group VIII Program Request – NBMS/NBUE

Suggested Motion:

Move to approve the Group VIII Program Request for North Boone Middle and Upper Schools

Recommended Action:

Approve as presented.

In response to requests from students and the middle and upper schools to put on a musical, Mr. Jason Williams has offered to form a NBMS/NBUE Drama Club to give drama instruction two days a week throughout the fourth quarter of this school year. It is anticipated that the club would then put on a show in which they will perform vignettes displaying what they have learned.

The after school “Drama Club” program would take place every Tuesday and Thursday from 2:45-4:15 p.m. beginning April 2 and continuing through May 2013. The date of the musical is yet to be determined.

Dr. Belcastro supports this request.

1. Briefly describe how students will benefit from this program:

Our students have asked several times for us to put on a musical. Our plan is to offer students two days a week of basic drama instruction throughout 4<sup>th</sup> quarter. The sponsor would put on a show in which students performed vignettes that they have prepared. This will provide students with an opportunity to practice performing in front of an audience as well as to learn about the literary genre of the drama.

2. Describe the activities of this program:

Students will attend an after school program on Tuesdays and Thursdays and learn basic theater skills: blocking, script reading, characterization, etc. At the end of the year, we will put on a show in which students perform brief vignettes. This will be an evening performance to which parents and family will be invited. They may also perform their scenes for the student body. Our hope is that we will provide students the basics so that next year we might be able to put on a junior production of a musical.

3. Give a schedule of tentative dates and times for each activity.

Tuesdays and Thursdays from 2:45-4:15 beginning April 2 and continuing through approximately May 23, 2013. We don't have a show date selected yet.

4. Total hours of project for teacher: approximately 30 hours \_\_\_\_\_

Total cost of project: \$900.00 \_\_\_\_\_
