ATTACHMENT VIII-E: Approval of Amended Calendars

Suggested Motion: Approve the Amended Calendars

Recommended Action: Approve as presented.

The amended calendars make three types of changes.

The 2014 calendar officially confirms the use of emergency days and makes the last day of school June 6, 2014.

Both the 2015 and 2016 calendars add an additional institute day as bargained into the NBEA Contract. So the start day for the 2015 calendar changes to August 15, 2014. The 2016 calendar start day remains the same, as we anticipated the potential change and left an open day for the additional in service day.

We are also recommending the removal of the three SIP days in the FY 2015 calendar. Administratively we don't feel the value of the staff work time outweighs the loss of instructional time. Assuming that we can meet our training needs without those, we would then recommend removing them from the FY 2016 calendar as well.
