Re: **Renewal of IASB Policy Reference Education Subscription Service (PRESS)**

Dear **PRESS** Subscriber:

Thank you for subscribing to **PRESS** during calendar year 2019. As you know, **PRESS** offers timely information and sample policies, procedures, and exhibits to help your district stay up-to-date.

Renewing your **PRESS** subscription through June 30, 2020 ensures that your district will continue to receive these excellent resources.

- **The IASB Policy Reference Manual (PRM).** A 1,100-plus page document containing approximately 175 sample policies, administrative procedures, and exhibits.
- **PRESS Update Memos.** Convenient summaries of the materials in each **PRESS** Issue with a Progress Report table detailing all developments that impact the **PRM**.
- **PRESS Online | Research Capabilities.** A 24/7 platform to access recent **PRESS** Issues, **PRESS** Update Memos, and the entire **PRM**. Use it for research, viewing, and/or downloading of these items anytime, anywhere.
- **Footnotes | Explanations.** **PRM** materials contain detailed references to legislation, agency rules, court decisions, binding opinions from the Ill. Public Access Counselor, and more. Information about compliance and best practices are in every piece of **PRESS** material.
- **Indexes.** The **PRM** is indexed by subject and law through the **PRESS Online** search feature.
- **PRESS Editors and Policy Services Access.** You may call the IASB Office of General Counsel attorneys and Policy Services Staff with questions about **PRESS** materials.
- **IASB's Governance Philosophy.** All **PRM** materials focus board attention on developing and monitoring district ends, rather than on day-to-day operations. **PRESS** infuses this philosophy to guide boards toward this type of leadership. It helps your school board focus on important governance issues while remaining in compliance with legal mandates. Whenever possible, administrative details stay in procedures, allowing your board to focus on leadership.

Thank you for your continued support of **PRESS**. If you have any questions or comments, please contact Kimberly Small, IASB General Counsel and **PRESS** Editor, at ext. 1226 or ksmall@iasb.com.

Sincerely,

Thomas E. Bertrand PhD
Executive Director
