ATTACHMENT VIII-F: Additional Paraprofessional Positions

Suggested Motion: Move to Approve the Addition of Two Paraprofessionals

Recommended Action: Approve as presented.

Two additional paraprofessional positions are being recommended to cover student needs in compliance with IEP's. Mrs. Geyman, Director of Special Education, is recommending the positions due to an increase in IEP minutes needed at Poplar Grove Elementary and North Boone Upper Elementary, as there are currently not enough staff in those buildings to cover the increased needs.
