

ATTACHMENT NO. VIII-F

ATTACHMENT NO. VIII-F: Bleacher Project

Potential motion: Move to approve Donation of Bleachers and approve the Concrete Footings and Securing of Bleachers

Recommended action: Approve as presented.

The Booster Club is considering purchasing a section of bleachers to put on the home side, west of the current home bleachers. The bleachers are approximately 40 ft. x 30 ft. The Boosters are asking if the District would be willing to pour the concrete footings and secure them to the footings.
