ATTACHMENT VIII-F:                      Group VIII Program Request – Capron

Suggested Motion:                        Move to approve the Group VIII Program Request

Recommended Action:                    Approve as presented

PARCC After School Practice Prep

Liz Savely, Emily Mouri and Cindy Maten will teach students test-taking strategies specifically connected to the PARCC assessment.

The students would meet twice per week to focus on math and language arts. The tentative dates and times are from 2:45–3:45 p.m. from January 8 – February 28, 2018 for a total of 13 sessions.

## Group VIII Program Request

Teacher Name: Elizabeth Saveley, Emily Mouri, Cindy Maten      Date: Nov. 10, 2017

School/Project Location:   Capron Elementary  

Project Name:   PARCC after school practice prep  

1. Briefly describe how students will benefit from this program:

Based on the recent test scores of our population, we are wanting to create an environment to focus on testing skills and strategies. Students will have an opportunity to learn specific test-taking strategies in order to be better prepared for the upcoming assessment.

2. Describe the activities of this program:

Students will learn important test-taking strategies specifically connected to the PARCC assessment. Students will have time to see practice questions and learn how to use strategies to be more prepared for the complicated assessment. Students will meet twice a week after school and will focus on an hour of mathematics and an hour of language arts. A snack will be provided by the teachers. Teachers will have supplemental materials that will be tailored to the PARCC assessment, in order to provide better exposure to this style of assessment questioning and presentation.

3. Give a schedule of tentative dates and times for each activity.

One hour on each of following days: 2:45pm-3:45pm

January 8, 10, 17, 22, 25, 29, 31

February 5, 12, 14, 21, 26, 28

For a total of 13 sessions.

4. Total hours of project for teacher:   13 hours x 3   for a total of   39 hours  

Total cost of project:   \$25 per hour   Total:   \$975
