ATTACHMENT VIII-F: Additional Paraprofessional Position
Suggested Motion: Move to Approve the Addition of One Paraprofessional
Recommended Action: Approve as presented.

One additional paraprofessional position is being recommended to cover student needs in compliance with IEP's. Mrs. Doetch, Director of Special Education, is recommending the position due to an increase in IEP minutes for vision and other IEP concerns needed at Manchester Elementary, as there are currently not enough staff in the building to cover the increased needs.
