ATTACHMENT NO. VIII-G: Contract with Pyramid Education Consultants, Inc.

Potential motion: Move to approve the contract with Pyramid Education Consultants, Inc.

Recommended action: Approve the motion

Pyramid Education Consultants, Inc. have consultants with extensive training in autism and related developmental disabilities as well as the Picture Exchange System. Staff in the past have attended training hosted by PECS and have been able to implement strategies into their classroom.

Due to student needs at the preschool and elementary level, it was determined that a consultant should come in and provide staff training on the Picture Exchange System in the classroom setting. This contract will allow the special education department to work with a consultant for staff development for the remained of the school year.
