

ATTACHMENT VII. - J

ATTACHMENT : Additional Paraprofessional Position

Suggested Motion: Move to Approve the Addition of One Paraprofessional

Recommended Action: Approve as presented.

An additional paraprofessional position is being recommended to cover student needs in compliance with an IEP. Mrs. Doetch, Director of Special Education, is recommending the position due to the need for a 1:1 paraprofessional to work with a student, in accordance to IEP accommodations and guidelines, in the Pre-K program at Capron Elementary, as there is currently not enough staff in that building to cover the increased need.
