ATTACHMENT VIII-J: Renewal of Current Milk Products, Bakery Products
and General Groceries

Suggested Motion: Move to approve the renewal of Schuring & Schuring, Alpha
Baking Co., and Performance Food Service - Fox River Foods
for one year

Recommended Action: Approve as presented.

It is recommended that the district renew its current agreements with the above vendors.

Our current agreement with Schuring & Schuring (milk products) includes an escalator pricing method based upon butterfat pricing changes to receive the best market pricing. In March 2014, Mrs. Boeke spoke with this vendor to pursue a renewal for 2014-2015. Pricing and nutrition information was submitted to the district on April 24, 2014.

On March 17, 2014, Rhonda Boeke sent a letter to Performance-Fox River (general groceries) requesting to pursue a renewal for 2014-2015. Pricing and nutrition information was submitted to the district on April 24, 2014.

Mrs. Boeke also sent a request for renewal from Alpha Baking (bakery products) in March 2014. Pricing was submitted by Alpha on April 29, 2014.

Subject: Alpha Baking Pricing

Hi Rhonda,

My name is Jon Farin. I am the sales manager for Alpha Baking. I have left you a couple of voicemails so I figured I would also send you an e-mail. I am handling the school bids for the next school year. We received a letter from you dated 3/17/14 asking to renew for the 2014/2015 school year. We are glad that you would like to renew with Alpha Baking however, I also want to let you know that we will be raising our prices on some of the items you currently buy from us for the next school year. Below, I have included our current prices and what our new prices will be for the 2014/2015 school year. The new pricing below will take effect on 7/1/2014.

Please let me know if you want to continue to buy from Alpha Baking after your next school board meeting.

We hope that you will decide to remain with Alpha Baking and we have enjoyed serving your school district over the past couple of years.

If you have any questions, please let me know.
