

ATTACHMENT NO. VIII-N: Purchase of 2013 Used Activity Bus

Potential motion: Move to approve Purchase and Trade of 2003 Activity Bus

Recommended action: Approve as presented.

Midwest Transit has provided a quote for one used 2013 Chevrolet-Collins activity bus and for the trade in of the 2003 Ford. The current 2003 activity bus has numerous problems that are becoming costly and a concern for student/staff safety:

- 160,000 miles
- Exhaust needs to be replaced
- Heating/cooling system is not operating properly and has been repaired.
- This vehicle will not start at 10 degrees or below creating problems when it is being used for overnight trips such as tournaments, meets, etc.

Scott Timmerman received notification from Midwest Bus Sales stating they had a customer that withdrew a request for 2015-16 activity bus moving NBCUSD 200 up to have the option on this activity bus for 2015-16.

We are asking the Board to consider this purchase to replace the current activity bus.
