GOALS DISCUSSION

Dr. Greenlee noted a similar goals project had been presented at the Tri-Conference in November by Orland Park School District 230. He felt we should start our conversation with strengths and then discuss challenges. Mr. Mulholland suggested working toward a living document that would be used at each Committee and Board meeting in hopes of providing weekly feedback. Dr. Greenlee suggested the first process would be to get everyone moving in the same direction toward measureable goals.

Strengths and challenges were discussed openly and at length, and it was decided there will be additional meetings needed to group the ideas and develop goals.
