ATTACHMENT NO. IX-B: Beverage Contract

Potential motion: Informational

Recommended action: None

North Boone CUSD 200 has been in a contract with Great Lakes Coca-Cola Distribution since October 1, 2015. This is a 5-year contract that will expire in October of 2021. The beverage contract covers all of the schools and provides vending machines in the staff workrooms and in the HS cafeteria. Each school is set up differently on how they receive the beverage.

September Update:

Three beverage distributors have been contacted to get more information regarding a contract with North Boone. Final proposals and a recommendation will be presented at the October Board of Education meeting.

October Update:

North Boone is still in discussion with the beverage distributors. More information is being gathered before the final recommendation is brought forward. The anticipated roll out of the new vending machines and/or contract will be during winter break.
