

ATTACHMENT NO. IX-B: Re-Opening Plans – E-Learning

Potential motion: Move to approve the Re-Opening Plans – E-Learning

Recommended action: Approve the motion.

We are asking the Board to accept the district level E-Learning Plan. This plan incorporates all of the guidelines and requirements that are set by the ISBE. This plan is the overarching plan that each of our building are using to set their building specific protocols for student and staff in the event that our students will need to E-Learn. E-Learning would be used if all students were to be sent home because of the pandemic or used on emergency weather days.
