Potential motion: Move to approve the Purchase of Technology Items

Recommended action: Approve as presented.

Purchase technology items as recommended by Jerry Rudolph.

Replace 140 of 2009 Dell 2100 sub notebooks around the district with Dell 3150

Replace 13 of our oldest Smartboard projectors

Purchase 60 Dell 3150 sub notebooks to create two 30 cap carts

Replace 140, 2009 Dell 2100 sub notebooks around the district with Dell 3150.

\$319 each

\$44,800

With Windows 8.1 – for a smooth, versatile PC experience.

Replace 13 of our oldest Smartboard projectors.

Replace our first batch of smartboard Projectors. They do not make them anymore and they are starting to fail. I purchased a few used devices off ebay last year to limp us by.

Replace with NEC 3300- Ultra short throw projector.

3300-Lumen Ultra Short Throw Projector

MODEL: NP-UM330X

This product has been replaced by [NP-UM361X](#)

NEC's UM330X is a 3300-lumen ultra short throw projector that packs a multitude of features while delivering an extremely short throw distance for education and corporate applications. A complete interactive projector solution can be created using the optional NP02Wi eBeam interactive system. With its ability to be mounted to the wall directly above the screen on which it projects, this model helps eliminate the shadows and glare typically found with standard projection systems. The UM330X includes a powerful 16W speaker, closed captioning and RJ-45 for remote management over a network, and its input panel includes dual HDMI, VGA and a microphone input to amplify the presenter's voice.

\$15,700 Installed

4 year bulb. Bulbs are \$80 each for Premium OEM Bulbs

Purchase 60 Dell 3150 sub notebooks to create two 30 cap carts.

Use existing carts in district.

The HS currently has two computer carts that are constantly checked out. Having two more carts will help out during electronic testing and give the freshmen teachers more opportunities to bring technology into the classroom.

\$319 each

\$19,140

With Windows 8.1 – for a smooth, versatile PC experience.
