

## FEMA Grant Application due to COVID-19

North Boone Business Meeting Update June 2020

### **Overview:**

FEMA is offering a cost share grant for public agencies (including school districts) that have been impacted by COVID-19. This grant is a cost share program with 75% Federal and 25% non-Federal (\$3,300 minimum).

Application Expense Eligibility must be:

- incurred by an eligible applicant
- as a direct result of the event
- Within the area covered under the declaration
- legal responsibility of the applicant
- reasonable and necessary
- emergency work addresses an immediate threat (life, public health, safety)

### **North Boone Update and Status:**

- North Boone has started the initial application and is eligible for potential funding.
- North Boone initially submitted a cost estimate for:
  - facility disinfection including the purchase of cleaning supplies to wipe down facility, buses and technology (labor and supplies)
  - purchase of supplies such as face masks, hand sanitizer, disinfecting wipes and gloves

Estimated Labor ~\$4,740.80

Estimated Materials ~\$21,765

Federal share: \$16,324

Local Share: \$5,441

Application is still in process and will be updated as the needs arise.
