

## Operational Services

### Facility Management and Building Programs

The Superintendent shall manage the District's facilities and grounds as well as facility construction and building programs in accordance with the law, the standards set forth in this policy, and other applicable ~~School~~ Board ~~polices-~~policies. The Superintendent or designee shall facilitate: ~~-(1)~~ inspections of schools by the Regional Superintendent and State Fire Marshal or designee, ~~and~~ (2) review of plans and specifications for future construction or alterations of a school if requested by the relevant municipality, county (if applicable), or fire protection district, ~~and~~ (3) compliance with the 10-year safety survey process required by the School Code.

#### Standards for Managing ~~Building~~Buildings and Grounds

All District buildings and grounds shall be adequately maintained in order to provide an appropriate, safe, and energy efficient physical environment for learning and teaching. ~~The~~ Superintendent or designee shall provide the Board with periodic reports on maintenance data and projected maintenance needs that include cost analysis. ~~Prior-~~~~School~~ Board approval is needed for all renovations or permanent alterations to buildings or grounds when the total cost will exceed \$12,500, including the cost equivalent of staff time. ~~This~~ policy is not intended to discourage efforts to improve the appearance of buildings or grounds that are consistent with the designated use of those buildings and grounds.

#### Standards for Green Cleaning

For each District school with 50 or more students, the Superintendent or designee shall establish and supervise a green cleaning program that complies with the guidelines established by the Illinois Green Government Coordinating Council.

#### ~~Standard~~Standards for Facility Construction and Building Programs

As appropriate, the ~~School~~ Board will authorize a comprehensive study to determine the need for facility construction and expansion. ~~On~~ an annual basis, the Superintendent or designee shall provide the Board with projected facility needs, enrollment trends, and other data impacting facility use. ~~School~~ Board approval is needed for all new facility construction and expansion.

When ~~makemaking~~ decisions, pertaining to design and construction of school facilities, the ~~School~~ Board will confer with members of the staff and community, the ~~Illinois~~Ill. State Board of Education, and educational and architectural consultants, as it deems appropriate. ~~The~~ Board's facility goals are to:

1. Integrate facilities planning with other aspects of planning and goal-setting.
2. Base educational specifications for school buildings on identifiable student needs.
3. Design buildings for sufficient flexibility to permit new or modified programs.
4. Design buildings for maximum potential for community use.
5. Meet or exceed all safety requirements.
6. Meet requirements on the accessibility of school facilities to disabled persons as specified in State and federal law.
7. Provide for low maintenance costs, energy efficiency, and minimal environmental impact.

Naming Buildings and Facilities

Recognizing that the name for a school building, facility, or ground, or field reflects on its public image, the Board's primary consideration will be to select a name that enhances the credibility and stature of the school or facility. -Any request to name or rename an existing facility should be submitted to the ~~School~~-Board.- When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with supporting rationale, to the Board. ~~Naming or renaming an existing facility after an individual will not take place until two (2) years after the person retires from the district or passes away.~~ The Board will make the final selection. -The Superintendent or designee may name a room or designate some area ~~within a facility~~ on a school's property in honor of an individual or group that has performed outstanding service to the school without using the process in this policy.
