Suggested Motion: Approve the employment of the following student services staff for the 2014-2015 school year.

Recommended Action: Approve as presented.

RELATED INFORMATION:

Due to the dissolution of the Boone County Special Education Cooperative, North Boone will need to employ its own psychologists, social workers and speech pathologists. In the past, these employees have actually been District 100 employees working for the cooperative. We are recommending hiring them as allowed under school code to recognize their cooperative service as service towards tenure in North Boone. Exact salary placement will be made after the completion of negotiations with the NBEA.
