

ATTACHMENT IX-C

ATTACHMENT IX-C:	Group VIII Program Request
Suggested Motion:	Move to approve the Group VIII Program Request
Recommended Action:	Approve as presented

Upper Elementary students have an opportunity to receive one on one math assistance from Jean Perkins. Tutoring will focus on specific skills needed to advance them closer to grade level.

Tutoring would be offered for 1.5 hours on Tuesdays from October 14, 2014 – March 10, 2015.

# Group VIII Program Request

Teacher Name: Jean Perkins Date: 8/29/14

School/Project Location: NBUE

Project Name: Math Tutoring

1. Briefly describe how students will benefit from this program:

Students will benefit by having extra one on one work with the teacher and by focusing on specific skills needed to advance them closer to grade level.

2. Describe the activities of this program:

Using the Math Intervention from EnVision Math curriculum, as well as, the Focus Math Intervention curriculum. Also, bringing in games and manipulatives to use for further understanding.

3. Give a schedule of tentative dates and times for each activity.

Would like to begin on Tuesdays after school from 2:45-4:15 after Fall MAPs, to identify students whom would benefit from this tutoring. Would like to continue through the end of March or April.

\*Specific dates on back.

4. Total hours of project for teacher: 25 1/2 hours  
Total cost of project: 25.5 x \$25 = 637.50
