

ATTACHMENT NO. IX-D: CES Sewer

Suggested Motion: Move to approve the CES Sewer Work

Recommended Action: Approve the motion.

We are asking the Board to approve the work required to correct the sewer issues at Capron. Three bids were secured and it is recommended that the district use Collins Sewer to run the new sewage lines that will tie into the village sewer system for a price of \$11,850. Greg Stahler was consulted to ensure the scope of work was meeting the needed specifications. Alternate quotes are listed below.
