**RELATED INFORMATION:**

Attached is the FY16 Northwestern Illinois Association (NIA) Services & Fees Summary. NIA has provided services to North Boone CUSD 200 in the past for services such as hearing, vision, occupational therapy, and physical therapy through the Boone County Special Education Cooperative.

For the 2015-2016 school year, North Boone will contract hearing itinerant, orientation and mobility, audiology and occupational therapy services from NIA. NIA will provide supervision and technical assistance for hearing, occupational therapy, speech/language supervision and autism technical assistance.

For the 2015-2016 school year, North Boone will contract physical therapy from Winnebago County Special Education Cooperative (WCSEC). WCSEC will provide therapy services as well as technical assistance and supervision for physical therapy. North Boone will provide its own vision itinerant services in collaboration with Winnebago County Special Education Cooperative. The specific cost has yet to be determined.

For the 2014-2015 North Boone paid NIA \$204,499.18 for services and fees. The projected cost for FY16 will be \$146,786.00. The different in cost is due to NIA revamping its financial structure as well as North Boone no longer contracting physical therapy.
