Group VIII Program Request

Teacher Name: Elizabeth Saveley, Emily Mortimer, Cindy Maten Date: Nov. 7, 2018

School/Project Location: Capron Elementary

Project Name: PARCC after school practice prep

1. Briefly describe how students will benefit from this program:

Based on the recent test scores of our population, we want to create an environment to focus on testing skills and strategies. Students will have an opportunity to learn specific test-taking strategies in order to be better prepared for the upcoming assessment.

2. Describe the activities of this program:

Students will learn important test-taking strategies specifically connected to the PARCC assessment. Students will have time to see practice questions and learn how to use strategies to be more prepared for the complicated assessment. Students will meet twice a week after school and will focus on an hour of mathematics and an hour of language arts. The teachers will provide a snack. Teachers will have supplemental materials that will be tailored to the PARCC assessment, in order to provide better exposure to this style of assessment questioning and presentation.

3. Give a schedule of tentative dates and times for each activity.

One hour on each of following days: 2:45pm-3:45pm

January 15, 17, 22, 24, 29, 31

February 5, 12, 19, 21, 26, 28

March 5

For a total of 13 sessions.

4. Total hours of project for teacher: 13 hours x 3 for a total of 39 hours

Total cost of project: \$25 per hour Total: \$975
