2018 New York, NY Trip

Dear Parents and Students,

I am excited to announce that I will lead a group of North Boone High School students on a WorldStrides program to New York, NY. On this once-in-a-lifetime adventure, students will explore the Big Apple's most important historical sites, discover our nation's rich diversity and cultural heritage, and experience incomparable learning moments. This will be a trip that your child will be talking about for years to come!

Your child will return home excited to tell you about:

- Reliving the immigrant experience through ferry rides around the Statue of Liberty and tours of Ellis Island
- Visiting the 9/11 National Memorial at the World Trade Center site, dedicated to those who lost their lives on September 11, 2001
- Gaining a new perspective of the world in Chinatown, Little Italy, Broadway, and Times Square

I have chosen to travel with WorldStrides because of their exceptional service, their 50 years of experience, their safety record, and their preventive measures that ensure learning occurs in a safe and fun environment. I will chaperone the program with other teachers as needed, and throughout the program our group will be guided by a WorldStrides-certified Course Leader. Since this is not a school sponsored trip, we will not be attending as representatives or employees of the school.

Please read the enclosed brochure, check out the sample itinerary on the back of this page, and visit www.worldstrides.com/discoveries for more details about WorldStrides and our group's trip. If you have any questions, you can contact me at (815) 765-3311, or via email at jpienta@nbcusd.org. **There will be a trip information meeting to discuss this wonderful opportunity on May 17, 2017 at 6:00 PM at the school.**

I would love for your child to join us on this unforgettable trip!
