

ATTACHMENT NO. IX-E: Resolution of Prevailing Wages

Suggested Motion: Move to approve the Resolution of Prevailing Wages

Recommended Action: Approve the motion.

In compliance with the Illinois Prevailing Wage Act (820 ILCS 130/0.01 et. seq.), each year, the district is required to restate its commitment to the most recently adopted prevailing wages. Attached to the Resolution is the Boone County Prevailing Wage for May 2013. It is recommended that the Board approve the Resolution, thereby adopting the current prevailing rate of wages.

RESOLUTION

WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the state, county, city or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, codified as amended, 820 ILCS 130/1 et seq. (1993), formerly Ill. Rev. Stat., Ch. 48, par. 39x-1et seq. and

WHEREAS, the aforesaid Act requires that the North Boone Community Unit School District 200 of Poplar Grove, Boone County, IL, investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said school district, Boone County, IL, employed in performing construction of public works, for said North Boone Community Unit School District 200.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF EDUCATION OF NORTH BOONE COMMUNITY UNIT SCHOOL DISTRICT 200:

SECTION 1: To the extent and as required by "An Act regulating wages of laborers, mechanics and other workers employed in any public works by state, county, city, or any public body or any political subdivision or by anyone under contract for public works, "approved June 26, 1941, codified as amended," the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of the North Boone Community Unit School District 200 is hereby ascertained to be the same as the prevailing rate of wages for construction work in Boone County area as determined by the Department of Labor of the State of Illinois as of May of the current year, a copy of that determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's May determination and apply to any and all public works construction undertaken by the North Boone Community Unit School District 200. The definition of any terms appearing in this Resolution which are also used in aforesaid Act shall be the same as in said Act.

SECTION 2: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of the North Boone Community Unit District 200 to the extent required by the aforesaid Act.

SECTION 3: The North Boone Community Unit District 200 Secretary shall publicly post or keep available for inspection by any interested party in the main office of the North Boone Community Unit District 200 this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

SECTION 4: The North Boone Community Unit District 200 Secretary shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

SECTION 5: The North Boone Community Unit District 200 Secretary shall promptly file a certified copy of this Resolution with both the Secretary of State Index Division and the Department of Labor of the State of Illinois.

SECTION 6: The North Boone Community Unit District 200 Secretary shall cause to be published in a newspaper of general circulation within the area a copy of this Resolution, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

Dated this 24th day of June 2013.

APPROVED:

Don Ward, President, Board of Education
North Boone Community Unit School
District 200, Boone County, Illinois

Explanations

BOONE COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER, MARBLE FINISHER, TERRAZZO FINISHER

Assisting, helping or supporting the tile, marble and terrazzo mechanic by performing their historic and traditional work assignments required to complete the proper installation of the work covered by said crafts. The term "Ceramic" is used for naming the classification only and is in no way a limitation of the product handled. Ceramic takes into consideration most hard tiles.

COMMUNICATION TECHNICIAN

Installing, manufacturing, assembling and maintaining sound and intercom, protection alarm (security), fire alarm, master antenna television, closed circuit television, low voltage control for computers and/or door monitoring, school communications systems, telephones and servicing of nurse and emergency calls, and the installation and maintenance of transmit and receive antennas,

transmitters, receivers, and associated apparatus which operates in conjunction with above systems. All work associated with these system installations will be included EXCEPT the installation of protective metallic conduit in new construction projects (excluding less than ten-foot runs strictly for protection of cable) and 120 volt AC (or higher) power wiring and associated hardware.

MATERIAL TESTER I: Hand coring and drilling for testing of materials; field inspection of uncured concrete and asphalt.

MATERIAL TESTER II: Field inspection of welds, structural steel, fireproofing, masonry, soil, facade, reinforcing steel, formwork, cured concrete, and concrete and asphalt batch plants; adjusting proportions of bituminous mixtures.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or

clarifications.

LANDSCAPING

Landscaping work falls under the existing classifications for laborer, operating engineer and truck driver. The work performed by landscape plantsman and landscape laborer is covered by the existing classification of laborer. The work performed by landscape operators (regardless of equipment used or its size) is covered by the classifications of operating engineer. The work performed by landscape truck drivers (regardless of size of truck driven) is covered by the classifications of truck driver.
