

ATTACHMENT NO. IX-F: Motor Vehicle Fuel and Related Products Bid FY12-01

Potential motion: Move to reject all bids on the Fuel and Related Products Bid FY12-01 and rebid.

Recommended action: Approve the motion

Motor Vehicle Fuel and Related Products Bid FY12-01 was opened on August 3, 2011 at 9:00 a.m. Six (6) bid packages were mailed and/or requested by interested parties. Two (2) responses were received, one (1) for related products only and one (1) no interest.

Due to the lack of receiving a fuel bid and there only being one response for related products, it is recommended that the bid be rejected and re-advertised for a September bid opening. With the lack of responses, interested parties have been contacted regarding a new bid submission.

It is recommended that the Board approve the motion to reject the current bid.
