Our commitment to education

We believe the best way to help students gain new perspectives and build skills for the future is through experiential learning.

Accreditation

EF is accredited, just like your school, and recognized by the following regional, national and international organizations: Middle States Association of Colleges and Schools (MSA-CES); Western Association of Schools and Colleges (WASC); Southern Association of Colleges and Schools (SACS-CASI) North Central Association (NCA-CASI); National Council for Private Schools Accreditation (NCPSA); and Accreditation International (AI).

A standard of excellence

Our educational travel programs bring to life the knowledge and skills that are called for in many education initiatives, including:

- Partnership for 21st Century Skills (P21)
- International Baccalaureate – PYP, MYP, Diploma, IBCC
- Common Core State Standards for English Language Arts and Literacy in History/Social Studies, Science and Technical Subjects
- Global Competence Criteria—defined by the Asia Society and Council of Chief State School Officers
- Global Connection Standards in the National Curriculum Standards for Social Studies
- Culture and Connections Standards in the Standards for Foreign Language Learning
- Standards of Professional Learning—defined by Learning Forward

weShare, a more engaging learning experience

Students learn on a deeper level when their lessons connect to their own lives. Our weShare platform makes sure that happens on tour. It taps into each student's strengths and passions, helping them put a more personal lens on their experience. Their post-tour presentations and videos give them a chance to reflect on and share what they've learned, and even earn high school or college credit.

Earning credit

Students can earn credit by traveling on an EF tour and completing required coursework. We offer choices, so you can find the credit option that best fits you and your students' needs.

- Students in grades 7-12 can earn elective credit for completing assignments before, during, and after their EF tour, setting themselves apart from other college applicants.
- Students can earn college credit through our partnerships with accredited universities.

We'll handle the details

As your educational travel partner, we work with teachers, students and parents to ensure a seamless experience—before, during and after tour. In other words, we're with you every step of the way.

BEFORE TOUR

Support Team and resources

Dedicated Tour Consultants guide teachers through the planning process, while Local Representatives from your area work face-to-face to provide support. We give teachers their own personal tour website with helpful tools to share tour information, manage deadlines and more. In addition to online resources, we also provide an array of printed materials for teacher, students and parents.

International Training Tours

Ensuring teachers are fully prepared to lead an EF tour is our commitment to your school community. Through our blended learning model, all first-time EF Group Leaders receive complimentary international training. Conducted by EF personnel and experienced EF Group Leaders, the program includes online, classroom and experiential learning components. In the event a Group Leader cannot attend one of these complimentary tours, we offer live webinars to prepare them and answer questions before they travel.

Traveler account management

Our knowledgeable and friendly Customer Service Representatives help travelers and their parents with all billing transactions, coverage plans and tour activity questions. We also offer flexible and convenient payment options that allow parents to choose when—and how—they want to pay.

WHILE ON TOUR

Everything is included

This all-inclusive global experience makes it easy for teachers and students to explore the world. From flights and hotels to most meals and experiential activities, we take care of every detail so travelers can focus on the experience.

Guided travel

A personal bilingual Tour Director stays with your group 24/7. They handle every on-tour detail to ensure a smooth travel experience while also providing unique local insight. Expert local guides, meanwhile, share their knowledge of history, art, architecture and more during guided tours.

AFTER TOUR

Program development

We'll work with you to build a travel program at your school so even more students have the opportunity to experience the world.

What your hotels will be like

A good night's sleep is important, so you can count on safe, clean and comfortable hotels with private bathrooms. Every hotel we work with is required to meet our high standards for quality, safety and cleanliness. Three to four students of the same gender will share a room, which will have a combination of twin and shared double beds.
