

ATTACHMENT NO. IX-F

ATTACHMENT NO. IX-F: Purchase of Used School Buses

Potential motion: Move to approve Purchase and Trade of Buses

Recommended action: Approve as presented.

Midwest Transit has provided a quote for three used 2013 IC International school buses which each have 77 seats and undercarriage storage/luggage compartments. The quotation includes the trade of three buses. One of the trade buses is the oldest bus in the fleet and another trade bus has the highest mileage

Scott Timmerman received notification from Creative Bus Sales stating they do not have any 2013, 70 plus passenger school buses with undercarriage storage. Mr. Timmerman also contacted National for a quotation, but is still waiting for a written response. He was verbally informed they did not have what we needed.

We are asking the Board to consider this purchase, as this is part of the bus rotation plan.
