ATTACHMENT IX-F: Superintendent Vacation Days  
Suggested Motion: Move to approve the buy-back of four vacation days  
Recommended Action: Approve as presented.

Due to the nature and requirements of the Superintendent's position, Dr. Baule has been and will be unable to use all earned vacation days prior to the end of December 2011. Based on an annual salary of \$149,000 for 261 work days, the per diem rate for Dr. Baule is \$570.88. It is therefore requested that the district buy back four vacation days at the rate of \$570.88 per day for a total of \$2,283.52.
