

ATTACHMENT NO. IX-L: Modification of *A La Carte* Prices

Potential motion: Move to approve the modifications to the *A La Carte Prices for the 2011-12 School Year* as presented.

Recommended action: Approve the motion

It is recommended that the Board approve the modifications to the *A La Carte Prices for the 2011-12 School Year* as presented. Modifications were made to items due to vendor pricing and to enhance the availability of reimbursable meal choices to secondary students.

After a review by Janice Burmeister, our new food service director, some items offered as a la carte paired with a milk will meet the nutritional guidelines to be eligible as a reimbursable meal. These pairings will now make some additional meal choices available to our free/reduced students at the appropriate meal pricing (reduced or free). This will allow those students to have a wider range of options to select from and allow the district to receive additional reimbursement from the Federal School Lunch Program.
