

ATTACHMENT IX-O: Renewal of Current Milk Products, Bakery Products, General Groceries, Copier Paper and Janitorial Supplies Vendors

Suggested Motion: Move to approve the renewal of Schuring & Schuring, Alpha Baking Co., Fox River Foods for one year and ProSource

Recommended Action: Approve as presented.

At the May 23, 2013 Business Services Committee Meeting, Mrs. Boeke suggested that the district simply renew its current agreements with the above vendors.

Last year, although four bid packages were distributed and/or requested for milk products, Schuring & Schuring was the only vendor who filed a response. Our current agreement with Schuring & Schuring includes an escalator pricing method based upon butterfat pricing changes to receive the best market pricing. In May 2013, Mrs. Boeke spoke with Schuring & Schuring, Inc. and they were willing to stay with their current pricing; however, there will be a 3% increase in milk products based on an increase in commodity pricing.

Mrs. Boeke also spoke with Alpha Baking Co. (bakery products) and Fox River Foods (general groceries) in May. Both vendors were the lowest responsible bidders in their category last year and have agreed to renew at no increase in costs for one year. It is recommended that the Board also renew these vendors for the 2013-2014 school year.

In August 2012, the district received two responses to the three bid packages that were requested for 84 Bright copier paper. ProSource was recommended and accepted based on best pricing for the quality requested in the bid request. That same month, ProSource was the lowest, responsible bidder for janitorial supplies.
