

Security Keys for Multi-Factor Authentication (MFA)

Business Services Meeting

February 9, 2022

In an effort to increase our digital security and to comply with Cyber Security insurance requirements, North Boone CUSD is looking to require multi-factor authentication for staff. MFA is a system that requires a user to provide more than one verification method to gain digital access.

North Boone technology has been working on a system and is recommending we purchase Yubico Yubikeys from itSavvy for \$10,575.00.

Next steps: Present at the February Board of Education meeting.

Lease prices listed above are estimates. They apply for Public School and Municipal Entities only. They are based upon individual credit review and approval. Your final rates will be determined after credit review.

ITsavvy is always looking to deliver the lowest cost possible to our clients. This results in fluctuating prices that you will find are lower more often than not. However, prices are subject to increases without notice in the event of a manufacturer or distributor price increase. Available inventory is subject to change without notice. This document is a quotation only and is not an order or offer to sell.

We do accept credit cards for payment. However, if the credit card is provided after the order has been invoiced there will be a charge of 3% of the total purchase.

Unless specifically listed above, these prices do NOT include applicable taxes, insurance, shipping, delivery, setup fees, or any cables or cabling services or material.

All non-recurring services are 50% due upon signing of contract, 40% due upon delivery of equipment, balance due upon install.

ITsavvy's General Terms and Conditions of Sale, which can be found at www.ITsavvy.com/termsandconditions, shall apply to and are incorporated into all agreements with Client, including all Orders.
