Suggested Motion:	Motion to approve the 2011-2012 Student Fee Schedule
Recommended Action:	Approve as presented.

The student fee increases are based upon input from the Athletics/Activities Committee and from the suggestions received from staff through the cost containment process. The base increase in the elementary fee will bring us in line with the 2011 registration fee in District 100. The other fees are essentially as recommended by the Athletics/Activities Committee.
