Establish Public School Calendar for SY 2022-2023

Approve as presented.

## RELATED INFORMATION:

The attached draft calendar is recommended for Board approval for the 2022-2023 School Year. The calendar is very similar to calendars in previous years with one slight change. Next year we will have late starts on Wednesdays once a month to support grade and department data meetings. This supports the school improvement process and team needs at each building. The state version will be submitted to the ROE once approved. Registration will be online and those dates will be determined in the near future.

The calendar reflects input from all staff and administration.
